

INSTRUCTIONS:

Read the label first

If you cannot understand this label clearly, find someone who can explain it to you.

Aztec UHS Gold Finish was specifically designed to be applied to vinyl PVC composite substrates. Strip floor thoroughly using Aztec Sidewinder Stripper. Rinse floor thoroughly using Aztec Kwik Neutral Cleaner.

Allow floor to dry completely before applying a minimum of 3 coats of **Aztec UHS Gold Finish**. Additional coats may be applied to obtain the desired gloss and protection. Apply finish using only a clean finish mop or applicator.

Aztec UHS Gold Finish may be applied to vinyl, concrete and many other masonry surfaces (when applying to marble, testing is advised).

For best results when burnishing use a light blended hair pad such as a blended 80% - 20%. Hair pad available at Aztec.

CAUTION: SLIPPERY!

Place WET FLOOR SIGNS in work area.

SAFETY PRECAUTIONS

Avoid contact with skin and clothing. Wash thoroughly after handling.

IF IN EYES

Hold eyes open and rinse with water for 15-20 minutes. Remove contact lenses. After the first 5 minutes then continue.

IF ON SKIN OR CLOTHING

Immediately flush skin with water for 15-20 minutes while removing contaminated shoes and clothing thoroughly.

IF INHALED

Move person to fresh air. If person is not breathing, call 911 then give artificial resuscitation, preferably mouth to mouth if possible. Call doctor for further treatment.

IF SWALLOWED

Do not induce vomiting. Drink one cup of water as soon as possible to rinse throat and immediately call poison control or doctor. Do not give anything by mouth if unconscious.
