SAFETY PRECAUTIONS

Avoid contact with skin and clothing. Wash thoroughly after handling.

IF IN EYES

Hold eyes open and rinse with water for 15-20 minutes. Remove contact lenses. After the first 5 minutes then continue.

IF ON SKIN OR CLOTHING

Immediately flush skin with water for 15-20 minutes while removing contaminated shoes and clothing thoroughly.

IF INHALED

Move person to fresh air. If person is not breathing, call 911 then give artificial resuscitation, preferably mouth to mouth if possible. Call doctor for further treatment.

IF SWALLOWED

Do not induce vomiting. Drink one cup of water as soon as possible to rinse throat and immediately call poison control or doctor. Do not give anything by mouth if unconscious.
